Credit Information for the Lumber Industry Blue Book Services: How Will It Benefit Me?

Presenter: Blue Book Services

NAWLA's NEW OFFICIAL SERVICE PROVIDER

11:00 a.m. CT/Noon ET - June 25, 2009

Reserve your spot now to get an advance preview of Blue Book Online Services (BBOS) for lumber professionals (available summer 2009). Learn how BBOS will help lumber managers, sellers, buyers, and transporters make safe, informed, and profitable business decisions. Given the current economic challenges, this Webinar will emphasize practical applications, including how BBOS can be used to monitor the creditworthiness of existing customers and provide you with valuable information on new prospects. We'll start with the basics, explaining how a user can search lumber businesses by: species, products, classifications, location, and more. Next, Blue Book Services will demonstrate some of the useful tools including: "my notes," "watchdog," and "export." Finally, you will learn how available BBOS credit profiles - enhanced by Equifax - help in making business decisions.

When you need them the most, Blue Book Services is introducing a defense system for you. Rely on Blue Book Services for best-in-class tools to help protect your business.
